## The tennis stadium in Dubai:

The **Hamdan Sports Complex** has room for 15.000 spectators. It's situated about 30 km away from every hotel into the desert. The arena has many facilities and it is one of the prestigious objects of Dubai. All information about the Hamdan Sports Complex: Please check google.

## Stay at the 5-star hotel „The Oberoi Dubai“ In 2014 the „players hotel“. Not confirmed for 2015 yet!

The 5-star luxury hotel is situated, like all hotels in Dubai, about 30 km away from the place of event, the Hamdan Sports Complex. A constant shuttle service takes players and their companions there and back to the hotel. And there is always a free seat for fans. Physicians, practice partners and families are always near by. And nearly all players and their teams stay in the hotel, so perfect „meet and greet“ at „The Oberoi Dubai“ at breakfast, lunch and dinner and at the bar of course. Another tip: Everybody will be practice in the morning, because the 5 short sets will be played in the afternoon, which is not enough for world-class players. And with free entry fan can experience the stars at close quarters. Because points and rankings are not important, selfies are not a problem at all. There is no better way to enjoy tennis and the stars.

The hotel has everything you could possibly to want, except a tennis court. Check by google. Looking for „Hotel Oberoi Dubai.

That's how you want to live! With view over the skyline of Dubai. In a luxury room in „The Oberoi Dubai“

## **Tickets and ticket prices:**

Admission prices are moderate. Starting at 15,00 € per day up to 90,00 € in the front. But because it's not sold out every day with 15.000 seats and not that many potential spectators in Dubai, it's OK to book the cheap seats. We book them for you!

**VIP-lodges** are available, too. Interested? Simply ask us, we are closely linked to the local management and gladly make you an offer.
